SUMMARY

Energetic and dedicated Computer Science and Engineering (CSE) student with a passion for technology and innovation. As a CSE student, I am eager to leverage my knowledge and skills in the field of computer science and engineering. I am skilled in C++ & JAVA and having good knowledge of DSA. I am particularly interested in artificial intelligence, cybersecurity & web development, and I aspire to contribute to the development of innovative solutions that address real-world challenges. My goal is to secure a challenging position where I can apply my academic background and continue to grow as a professional in the tech industry.
